25X1A

3. A local resident stated that, in early October 1953, a commission investigated into incidents caused by Soviet soldiers who displayed improper behaviour against German women. Subsequently, patrols consisting of an officer and 3 men each were employed and the MI were not given town leave on weekdays. 3

25X1A- [] Comment. Brandenburg-Briest airfield is still occupied by a ground attack regiment equipped with Il-10s. During the last months, 60 Il-10s were continually counted and, after one aircraft had crashed on 21 September 1953, 59 Il-10s were determined. []

25X1A- [] Comment. The ground attack regiment from Brandenburg-Briest, as well as the ground attack regiment from Brandenburg Arado probably participated in the exercises held by the Eighth Gds Army in Thuringia. [] 25X1A

25X1A- [] Comment. Information has also been received from other military posts that Soviet soldiers displayed improper behaviour against the Germans after the restrictions had been eased. It is reported for the first time that investigations were made into such incidents.
